To the organizers of the  
WDC AL Eurasian Championships  
Dimitry Divtsov

## **Letter of congratulations and support**

Dear Dimitry,

The WDC AL leadership is delighted that you have taken on the task of organising the 2015 WDC AL Eurasian Championships, which is a championship that bridges the very important connection between Europe and Asian cultures and competitive dancing, not only because Russia is of course a country that spans both continents, but also to foster fair and free competition between couples from Europe and Asian.

We are confident that you will create an event worthy of such an illustrious title and we hope that you will gain support from the local government and sponsors alike and we appeal to those organisations to help and support your activities on behalf of the WDC Amateur league, the Amateur Division of the World's leading Dance organisation.

We wish you all the best of success.

***Yours sincerely,***
